

Probate Records

in Lancashire and Cheshire Record Society Publications

Based on the indexes in the Lancashire and Cheshire Record Society Publications, the following is a chronological list of probate records (including wills, administrations, and inventories) for the names Holt, Holte, and Hoult.

The following chronological list of probate records (wills, administrations, inventories, and tuition bonds) in the Lancashire and Cheshire Record Society Publications for the names Holt, Holte, and Hoult has been compiled from the provided indexes and calendars. The records are ordered by date, then secondarily by surname within each location.

Details regarding occupations, residence, and specific record types (such as "Infra" for estates under £40 or "Tuition" for the guardianship of children) have been added where available.
